OBJECTIVE

Highly motivated and dedicated frontend developer with a solid foundation in HTML, CSS, and JavaScript. Seeking an entry-level position to apply my technical skills and passion for creating visually stunning and user-friendly web applications. Eager to contribute to a dynamic development team and continuously learn and grow in a fast-paced environment.

SUMMARY OF SKILLS

- Proficient in HTML5, CSS3, and JavaScript, with a deep understanding of frontend development principles and best practices.

- Strong problem-solving and debugging skills to efficiently resolve frontend issues and ensure smooth user experiences.

- Familiarity with version control systems, such as Git, to collaborate effectively with development teams.

- Experience in building responsive and mobile-first web applications using popular frameworks such as React.js or Angular.
